# STAR RAIDERS

Intergalactic combat like nothing  
you've experienced before —  
**STAR RAIDERS!**

The TV screen becomes the window  
of your Star Fighter — you don't see  
your powerful spacecraft, you're *inside*  
it, scanning the stars to find the deadly  
Zylons and challenge them to a pulse-  
pounding deep space fight to the finish!

Control your ship with *two separate*  
devices — an Atari joystick and a  
special new Video TouchPad™  
controller packed with  
the cartridge.

Press a button to call up  
the Galactic Chart. There  
is the Starbase you must  
protect. There is the  
enemy fleet poised for  
battle. Hyperwarp  
into action! Turn on shields  
and attack computer. Use the  
screen and radar scope to spot the  
approaching Zylons.

There they are! Fire your phaser  
cannons! Watch out, though — if *their*  
fire hits *you*, you're in trouble!

Comes Complete with  
Video TouchPad Controller and  
Exciting DC Comic Book!
