

Album's title: "Rave is illegal!"

Author: YERZMYEY

© 2013-2014

Total time: 19:43 min.

Traxx:

01. Give it
02. Goddamn business
03. Have you ever loved?
04. I have come
05. It's gonna take all night

All the music has been made on AMIGA 500 (4 channels, 8-bit quality of sound) using the OctaMED 4.0 program.

Recorded from real hardware (stereo slightly changed).

Speech/vocal samples come usually from the MusicRadar.

Female vocal by Mandy Edge.

The usual greetings to AY-RIDERS. ;)

Respect to Amiga musicians and techno-rave/house musicians:

The Prodigy, XTD, Adamski, SLL, Holy Noise, Laxity, MvdK of LA Style, The Immortals.

Thanx to the additional hardware designers and producers: Individual Computers, Jeff, Lotharek.

Traditional greetz to ppa.pl people for advices regarding the hardware. ;)

Cover-art: rendering made on Amiga by Jubi; the cover design by Factor6.
