

Dear (?) Michael -

A quick note from Chris -

Firstly - Loved Maggie 4 - the best yet

Enclosed - the following

One disc from MCS - with two articles for Maggie 4 (too late!!) arrived here the same day as Maggie 4 did.

Some discs (8) which are blank for the following PD items -

Utilities - Disc 99 utilities 3

" 100 utils 4

" 133

and Turbo assembler - if you are in a position to pass this on, otherwise where to get it in the UK?

Demos

Disc 697 - STE SOUND CRACKER

Disc 709 Sync Soundcracker -

Disc 755 POV Tracker

Discs 852-853 Overlanders European Demo

854 - Syntax Tower Demo

855 - Ulm Mega demo

We are 3 discs short, but I think you have 3 of mine already (Come to think of it, I still have your 'LOST PATROL' Discs -)

To Come for Maggie 5

Reviews Spiderman - left over from Maggie 4

Turrican - did not appear in Maggie 4 - Gug -

Spider II - see above

Vaxine - I have got - or am

B.A.T - getting there -

Ultimate licensed games

- did not make it into Maggie 4

Lost Patrol - Stuart is doing this one

Anything else you can send me

- Also - some more ROTTSPOT and DEAD CELEBRITIES, the How to GET PISSED (not final title) article

and I hope some god sends me their latest SEE Demos to review -

(If not I might send some more discs for you - current SEE Demos)

If Turrican II and/or Midwinter II are released soon, then I may get and review them also - I am not holding my breath for EPIC! I would be dead otherwise -

Excuse crap writing but I am nowhere near a desk!

Hear from you soon

Chris
