Dear Mr Schuessler,

Thank you for your recent letter about the new magazine, Maggie.

Unfortunately due to the great number of enquires from magazine we receive it is impossible to send out any products to be reviewed. We have very few review copies of products, which we tend to pass around the main magazines for each format.

I know that you are included on our mailing list for any press releases or information that we think you will be interested in.

Thank you for your interest in Electronic Arts, and may I take this opportunity to wish you the best of luck with your magazine.

Yours faithfully

Sara Shrapnell
